Features & Benefits

Twenty five years of engineering know-how have produced a durable cart that is anatomically designed to withstand years of harsh weather and use

Body

- Narrow width provides excellent handling and balance, and fits through all standard 30" doorways
- Packed with hidden reinforcements from lid to floor:
 - Top rim equipped with structural grid for extra support
 - Upper reinforcement bracket designed for rigorous use with semi-automated equipment
 - Double-wear strip in floor adds years of life to cart
- Drip edge keeps rain and insects out
- Impervious to most household chemicals and solvents
- Stays upright in high winds, even when empty
- Easy to clean

Document Control Lid

- Imprinted with "confidential shredding container" and privacy warning
- Lock mechanism (padlock not included)
- 1 3/4" x 14" document slot
- Deflector on underside of lid to prevent unauthorized removal of contents

Lid, Handle and Hinge

- Lid design eliminates need for secondary latch
- Self-opening lids for easy dumping
- Handles are perfectly positioned for easy maneuvering
- Carts delivered with lids attached to reduce assembly time

Wheels and Axle

- Wheels snap on quickly and can be removed easily with a special tool
- Solid steel axle is electroplated with a zinc dichromate coating for durability and long life

Compatibility

- Works with all quality semi-automated lifts and fully automated grabbers; 64- and 96-gallon carts can be configured to work with EuroComb Rim lifts

Specs
